Judge Thomas,
"The whole work done
by the judges constitutes
the authentic exposition and
interpretation of the law,
which, binding every citizen
is free for publication to all
whether it is a declaration
of unwritten law, or an
interpretation of a
constitution or statute."

-Banks v. Manchester, 128 U.S. 244
(1888)

Mark Runold

Dear Judge Thomas -
Public access to court
records can help develop
the trust + legitimacy
of the Article III courts.

As a 25 year litigator
I know theres nothing
to hide in court records +
much to be proud of.
Let the public see it. +
~~empower them to~~

Sincerely
Cindy Cohn

I'm writing to encourage
you to facilitate
free and open access
to PACER. The public
should be able to
access such an important
resource in a society
that claims equal
protection. Additionally,
the innovation that
we'd see in our interface
to case law if we
opened PACER would be
significant. Lets bring
these court record systems into the modern era.
